

Central Washington Hispanic Chamber of Commerce

ENERGY EFFICIENCY LUNCH AND LEARN

Enjoy LUNCH ON US

and discover how being wattsmart®
can benefit your business!

Open to **ALL** Central Washington area businesses

Sponsored by Pacific Power

DATE: September 9, 2015
TIME: 12 - 1 p.m.
LOCATION: Howard Johnson
9 North 9th Street
Yakima, WA 98901

Every business has opportunities to be wattsmart and save energy and money. Pacific Power can help you identify the opportunities at your business and, with our incentives, help offset the cost of the upgrades.

What's on the agenda:

- Hear from fellow business owners about how energy upgrades save money
- Receive ideas for energy-efficient projects
- Learn how to take advantage of wattsmart Business incentives for your facility
- Hear about LED lighting opportunities

Energy specialists will be on-hand to help you identify efficiency upgrade ideas and connect you with local resources and Pacific Power incentives. Especialistas que hablan español también estarán disponibles para contestar preguntas.
