### **Solarity hires new Mortgage Lending Officer**

Yakima, Washington (September 10, 2015) — Solarity Credit Union has hired Karla Viveros as their newest Mortgage Lending Officer (MLO).

In 2015, Viveros was named as one of the top 250 Latino mortgage loan originators in the United States by the National Association of Hispanic Real Estate Professionals (NAHREP). She comes to Solarity with over eight years of banking experiences and over six years of mortgage lending experience. In her previous position she worked for Wells Fargo Home Mortgage as a Sales Supervisor. Viveros' work experience provides her with an understanding of how to develop lasting relationships with individuals by meeting their mortgage needs.

In addition to her work experiences, Viveros received a bachelor's degree in Business Administration from Central Washington University. Her education coupled with her mortgage lending experience provides Viveros with the tools necessary to get prospective home buyers the best mortgage loan possible.

As the top mortgage lender in Yakima and Kittitas County, Solarity Credit Union continues to demonstrate their commitment to making positive things happen for their members and the community. Karla Viveros' focus on providing members with superior value and superior service is what makes her a great fit as the newest MLO at Solarity.
