

EXPORT VOUCHERS HELP YOU GO GLOBAL AND GROW

Boost your export sales with an Export Voucher of up to \$5,000

The Washington State Department of Commerce offers eligible small businesses export vouchers up to \$5,000 to help offset the costs of building sales in foreign markets.

Funded in part through a cooperative agreement with the U.S. Small Business Administration's State Trade and Export Promotion (STEP) program, vouchers can be used to offset expenses such as trade show fees, registration and airfare, interpreter and translation fees, international certifications and more.

You must comply with all of the following criteria to receive an export voucher:

- Be registered to do business in Washington state for at least one year
- Have a federal identification number tied to a Washington address
- Be in good standing with the state Department of Revenue
- Meet the SBA's criteria for a small business concern
