

EMPLOYERS: Show your commitment to those who served. Say yes to hiring our veterans.

YES VETS is a statewide campaign under House Bill 2040, sponsored by Representative Gina McCabe. The bill was signed into effect by Governor Inslee on April 22, 2015 in an effort to promote the hiring of veterans.

“ *The Bill is not a mandate on businesses, but a GOAL of doing the right thing.* ”

~ State Representative Gina McCabe

Participation and recognition

Enrolling in the **YES VETS** program is easy. Just visit www.yesvets.gov and create a profile. Then when you hire a veteran, add them to your profile.

A Local Veteran Employment Representative will contact you to go over the details of the program and discuss a date to publically recognize your organization. You will receive your **YES VETS** decals and instructions on how to proudly display your commitment to hire those who served.

For more information on HB 2040 and how your organization can participate in the **YES VETS** program, email your Local Veteran Employment Representative at hireavet@esd.wa.gov.
