Government Contracting Workshop

**What does it take to become a successful
government contractor?**

Washington PTAC can help you prepare for government business. We will teach you the basics of **marketing and selling your products and services** to federal, state and local government agencies.

In this class you will learn:

- ◆ How to classify your product or service
- ◆ How to register in correct databases
- ◆ Small business programs and certifications
- ◆ Types of solicitations and how to respond
- ◆ Marketing strategies for finding opportunities
- ◆ How to develop a capability statement
- ◆ Laws and regulations

This is a great opportunity for established businesses to learn how to get ready for the government procurement market.
