Identity Theft Awareness Shred Event & Take Back Your Meds Day

Preventing and Protecting against Identity Theft is definitely helped by shredding the information that has printed your identifying data. Crime Stoppers Yakima County working with the will provide free shredding of those documents, old tax forms, and personal items.

We are also offering a prescription drug disposal. These drugs can be being taken from your medicine cabinets and sold in schools and thru out our community. Bringing them in for disposal helps limit the supply of these drugs.

Your announcing, advertising and promoting this free event thru the week is definitely appreciated and donations will be accepted by Crime Stoppers Yakima County, to support and continue their services to all the citizens of Yakima County . Thank you for your support with helping Crime Stoppers and our community to promote this free public service event.
