Wednesday October 26, 2016 Sid Davis and Cheryl Anderson

"Sid Davis is hilarious! He delivers like gangbusters! He is terrific!"
Joan Rivers

Sid Davis, a former airline worker, hilariously unloads his sidesplitting baggage on stage with a side of A.D.D. and a cock-eyed perception on life! Cheryl Anderson's comedy is based on her experience as a suburban soccer mom, but her act is not typical mom-humor. A comedy writer with 2 top selling books on Amazon.
