## **Yakima Valley Libraries Now Providing OverDrive and Disney Digital eBooks and eAudiobooks**

Yakima, WA- In an effort to constantly find better ways to meet the needs of our community Yakima Valley Libraries has partnered with OverDrive, Inc. to provide eBooks and eAudiobooks to our patrons. As part of the OverDrive experience we have also elected to have Disney Digital eBooks available for our readers as well. To obtain access to these books you only need your Yakima Valley Libraries library card, an internet connection and access to an electronic device of your choice that can be read on (laptop, PC, Kindle, iPad, Nook, smartphones, etc).

Once you have your card and device you are free to log in and check out eBooks through the Yakima Valley Libraries website [www.yvl.org](http://www.yvl.org) from anywhere internet service is available. You do not have to be in a library to check out an eBook, you just have to have an active Yakima Valley Libraries library card. Select the OverDrive icon on the left hand side of your screen under “Resources for Mobile Devices”. If you have any difficulty logging in or need to obtain a library card to be able to use these services please contact your local library branch for assistance.

As always the Yakima Valley Libraries strives to support lifelong learning and an informed citizenry by providing free, open and full access to a vast array of ideas and information. We look forward to serving you.
