

# Virtual Dementia Tour<sup>®</sup>

*Ever walk in someone else's shoes for a day?*

Highgate Senior Living invites you to join us on an emotional journey to experience the realities of life for persons living with Alzheimer's disease and Dementia.

After experiencing this sensory training, you will understand the overwhelming effects of the aging process when combined with Alzheimer's disease or Dementia. This life-changing experience can also help you make better caregiving and healthcare decisions by knowing what your loved one may be coping with on a daily basis.
