**Memorial Physicians opens 2nd Healthy Now clinic
Convenient care clinic treats minor illnesses quickly, comfortably**

YAKIMA – Memorial Physicians is pleased to announce that a second Health Now clinic has opened. Designed to meet the demand for convenient care for minor illnesses, the clinic is located at 3904 Terrace Heights Dr.

Healthy Now treats a variety of non-urgent illnesses and injuries that might not be serious enough for a trip to the emergency room, but still require treatment even if your own doctor is unavailable. Services offered include treatment for colds, flu, sore throats, ear aches, minor burns and sprains and strains.

Memorial Physicians opened the first Healthy Now clinic in December at 3909 Creekside Loop. Healthy Now is open 7 a.m. to 7 p.m. Monday through Saturday. Walk-ins are welcome, and appointments can be scheduled online in advance at www.healthynowclinic.com.

Healthy Now accepts most insurance plans and Medicare. The copayment for your specific plan will be collected during your visit. Please have your insurance card and proof of ID at the time of your visit. If you haven't met your deductible, don't have insurance or don't have a plan, we currently accept cash, credit cards, and debit cards.

A third Healthy Now clinic, to be located in West Valley, is slated to open in late summer. For more information about Healthy Now, visit our website at www.healthynowclinic.com.
