Solarity is now accepting applications from non-profits for their Employee Community Partner!

Yakima, Washington (June 22, 2015)—Solarity Credit Union is excited to announce that applications from non-profits are now being accepted for the 2016-17 Employee Community Partner.

Throughout the year Solarity employees participate in various fundraising activities including Friday Jeans Day, Seahawks Jersey Day and Employee BBQs. The fundraising money is donated to the recipient of the Employee Community Partner. Every two years Solarity selects a non-profit that helps make positive things happen in the community. This is one of many ways Solarity employees give back to the communities they serve. Last year Solarity employees donated over \$11,000 to their community partner.

Solarity and their employees work to serve the needs of members and the community. Applications for the Employee Community Partner will be accepted until August 31, 2015. Non-profits who meet the qualifications will be selected by employees. Solarity employees and members will vote for the non-profit they believe should be the recipient of the employee fundraising money. Voting will be open for Solarity employees and members starting September 15, 2015. The non-profit who receives the most votes will be the winner of the Employee Community Partner. The winner will be announced on December 4, 2015.

Solarity Credit Union and their employees are committed to making positive things happen for members and the community. For non-profit requirements and to fill out the online application please visit solaritycu.org.
