

FOR IMMEDIATE RELEASE

Comprehensive Healthcare to host spring hiring fair

The behavioral health agency is recruiting for multiple clinical positions in the Yakima area

YAKIMA, Wash. – Job seekers in the Yakima Valley have an opportunity to shorten their search as Comprehensive Healthcare announces that they will host a hiring fair in Yakima on May 16th. This event is open to the community and offers the opportunity for attendees to learn more about Comprehensive's open positions and to apply in person. Human Resources and other staff will be on site to offer immediate interviews to qualified applicants.

Comprehensive has a variety of employment opportunities available for associates-, bachelors-, and masters-level staff. Most positions are involved in the direct care and treatment for clients, including nursing, case management, therapy, crisis outreach, and care coordination roles. Spanish language skills are a plus, but not required for most positions.

"We're a community organization and we like to hire individuals from within our communities whenever we can," noted Megan Peters, a Recruitment Specialist at Comprehensive. "We know the Yakima Valley is full of talented people, so we're using this opportunity to connect face-to-face with job seekers in our area and remove some of the hurdles that can slow down the hiring process."

The hiring fair will be held from 4-7pm on Tuesday, May 16th at Comprehensive's main office located at 402 S. Fourth Avenue in Yakima. Community members interested in attending are encouraged to pre-register online at www.comphc.org prior to the event, but walk-ins will also be accommodated. Attendees should bring a copy of their resume and come prepared to interview.

###
