Mission Statement: “The Greater Yakima Chamber of Commerce is an organization that promotes pride in our diverse communities through positive, active leadership aimed at creating a cohesive, successful business climate in our county.”
Dear Ron - my friend; my hero; Chamber Champion; Advisor,
I will not say goodbye, but rather until we meet again, kind sir. I will miss your smile, your sense of humor and your kindness. From my position as Chairman of the Board to becoming President/CEO of the Chamber, you mentored me, supported me and blessed me with your wisdom. Ron, you believed in the Greater Yakima Chamber of Commerce with your whole heart - in good times and in bad. Oh, how we will all miss you knocking (always early) at the Chamber door in the mornings; having coffee with Gary Myhre before Coffee Club, and bantering with your good friend, Bob Gerst, during meetings!
May God hold you in his arms and may you rest in peace and love!
See you in the stars above!
Your sister in Christ,
Verlynn

2 Corinthians 4:16-18
“Therefore we do not lose heart. Though outwardly we are wasting away, yet inwardly we are being renewed day by day. For our light and momentary troubles are achieving for us an eternal glory that far outweighs them all. So we fix our eyes not on what is seen, but on what is unseen, since what is seen is temporary, but what is unseen is eternal.”

Ron King 1945 - 2017
Since the doors at Children’s Village first opened 20 years ago, thousands of children with special needs and their families have been served in a welcoming place that unites multiple avenues of specialty care under one colorful roof. All with the goal of helping to ease the strain on families who are often overwhelmed and serving those families right where they live – here in the Yakima Valley.

Children’s Village began as a vision among key community organizations and dedicated volunteers to meet the special health care needs of area children and their families. As a collaboration between Yakima Valley Farm Workers Clinic, Virginia Mason Memorial, Comprehensive Healthcare and The Memorial Foundation, the Village – thanks to the commitment of the Yakima Valley community – provides medical, dental, and behavioral services to children from birth to 18 with special health care needs such as autism and Down syndrome. There are peer support groups for parents and siblings, team sports, social events, and a spring prom for the kids and teens. There’s even family swim night hosted at the therapy pool.

Through its unique blend of services, the Village has helped thousands of children live fuller, more independent lives. In 2016, the Village served nearly 5,000 children with special needs, five times as many as were served in 1998, the first full year it was open.

The Village is a welcoming place, putting anxious children at ease as soon as they enter. Walls are bright and cheerful; preserved trees dot the hallways; the elevator resembles a mine shaft; the reception desk is inside a covered wagon; and a large meeting room is contained in a barn.

The ability to continue changing lives over the next 20 years and serve even more families in need is largely dependent on community support. And that’s where The Memorial Foundation’s work to grow and enrich Children’s Village continues. The Village has never been sustained solely by reimbursement. It depends on grants and charitable donations from the community through The Memorial Foundation.

Despite these challenges, Children’s Village remains a unique facility not just for a community of Yakima’s size, but anywhere. More than anything, it is a place for children to be children first. Everyone at Children’s Village believes the same thing: Help kids be the very best kids they can be.

Healthy Yakima

Greater Yakima Chamber Receives “Above and Beyond” Award from Employer Support of the Guard and Reserve

The Washington Employer Support of the Guard and Reserve (ESGR) Committee held its annual alt text-Planning and Awards Meeting (APAM) at the Tacoma Dome Best Western in Tacoma May 6th. Over forty volunteers gathered to receive updates, and plan better ways to engage employers and military members.

During the awards portion of the APAM, there were over 100 people in attendance representing 15 employers. Keynote speakers were Col. Jeremy Horn, Director, Joint Forces, Washington National Guard, and Navy Captain Douglas Manz, Commanding Officer of the Navy Regional Operation Support Center, Kitsap.

President Verlynn Best and Vice President Thane Phelan of the Greater Yakima Chamber of Commerce received an Above and Beyond Award on behalf of the Chamber’s veteran and military programs.

The Chamber Veteran and Military Affairs Committee (VMAC) meets monthly at the Chamber and organizes the Annual Veteran and Dependents Job Fair. The Chamber, also provides space for the Central Washington Veterans Task Force – a group of interested individuals who meet to discuss Veterans issues and needs in our community and the Yakima Stand Down Committee. The Chamber provides membership for ESGR and has hosted their related events.

Class of 2018
at www.yakima.org

Offered by the Yakima Chamber Foundation, Leadership Yakima is a premier program that works to strengthen and educate community leaders by providing participants with in-depth insights into a variety of issues impacting residents of the Yakima Valley. Participants learn about our valley’s history and the many reasons to be proud of our valley, build relationships with their classmates, and learn how our community gets things done. The program was designed to teach our current and emerging leaders the skills necessary to serve our diverse community and provides an opportunity to discover many different organizations and agencies that need volunteers and board members.

Many of our graduates move into executive leadership, entrepreneurial, non-profit and elected positions throughout the community since graduating from Leadership Yakima. You may apply for yourself or your employer can sponsor your attendance. Leadership Yakima is a great way for employers to secure employee investment in our valley.

Cammer Veteran and Military Affairs Committee - Thanks!

The Greater Yakima Chamber of Commerce Veterans and Military Affairs Committee would like to thank Yakima Windermere Realty on behalf of the Yakima Valley Veterans Coalition for their support for our local Veterans and families.

Their annual employee’s service day provided both hundreds of dollars in food for our Veterans Food Pantry as well as $1500.00 dollars in financial support to the Yakima Valley Veterans Coalition. In addition the Windermere Realty Foundation provided an additional $500.00 dollars.

The Veterans Community is very appreciative to Tom Tepranier and the awesome team of associates. Their sincere appreciation for Veterans and their families will make an impact in the lives of many. This is the third year that they have supported our Veterans and families!

THANK YOU!
