

# Introducing Free Bikes 4 Kidz!

Several local organizations have partnered to launch a new program to provide bicycles to local kids in need.

**GOAL:** Collect and give away 350 bikes!

## How it works:

1. Collect used children's or teen bikes from the community!
2. Clean/refurbish those bikes, replacing worn out parts and tires.
3. Identify not-for-profit organizations who help us distribute those bikes to local kids in need.

## How you can help:

Consider donating your used children's or teen bikes to FB4K Yakima. It's a worthy cause and it's tax deductible. Talk to your colleagues, friends and relatives about donating their bikes too.

## Collection dates and times:

WEDNESDAY  
**AUG 8**  
5-7:00 p.m.

SATURDAY  
**AUG 11**  
11 a.m.-1 p.m.

TUESDAY  
**AUG 14**  
6-8:00 p.m.

*Gather 25 bikes and we will come to you and pick them up!
