**Astria Health COVID-19 Vaccination Clinic; Newly Available to School Employees and Childcare Workers**

This weekend, Astria Health, in collaboration with the Toppenish School District, will be hosting a COVID-19 Mass Vaccination Clinics.

Friday, March 5, a COVID-19 Vaccination Clinic will take place at the Toppenish Middle School (104 Goldendale Ave. Toppenish) from 9am-5pm (or until supplies last). Se habla Español. Pfizer vaccines are available to Phase 1A and Phase 1B-Tier 1 Community members. First come, first serve.

This vaccine is newly available to school employees and childcare workers!

The complete list of those who qualify under Phase 1A and Phase 1B-Tier1 are as follows:

- High-risk healthcare workers and first responders
- Long-term care facility residents
- All other workers at risk in health care settings
- All people **65+ years or older**
- All people **50 years or older** in multi-generational households (home where individuals from 2 or more generations reside).
- School Employees and childcare workers

Astria Health is excited to help in the distribution process of the COVID-19 Vaccine to Yakima Valley community members. Together, by continuing to stay at home, washing your hands, wearing a mask, and getting the vaccine when it is made available to your group, we are taking steps to stop the spread of COVID-19.

**ABOUT ASTRIA HEALTH**
