July 4th Fireworks Celebration: The City of Yakima and Yakima County Commissioners have stepped up to fund the 2021 4th of July fireworks display. “We want to thank both the City of Yakima and Yakima County for their generous support in making the fireworks display possible this year. This annual celebration is important for all of us to come together and enjoy public events again. The last year has been tough for all of us, and we look forward to welcoming the community back to State Fair Park to kick off the Summer.” Said State Fair Park President and CEO Kathy Kramer. The fireworks display and parking are free to the public. A three-day carnival, along with food vendors and entertainment, will be part of the celebration this year.

2021 Central Washington State Fair – will run September 24th – October 3rd with this year’s theme, “Celebrating Together Again.” “We are excited to be able to deliver the annual fair to our community. This year’s theme is certainly relevant, and we can’t wait to welcome the community back and celebrate together.” Said CEO Kramer. The annual Fair will deliver all your favorites – carnival, fair food, shopping, exhibits, agriculture programming, demo derbies, and concert series. Many new things are planned for this year’s annual Fair, which will be shared in the coming weeks.

“As you can imagine, with the latest re-opening news from the Governor’s office, we are moving quickly to get everything finalized now that we have the green light to get back to business.” Said CEO Kramer. “The health and safety of our guests is our number one priority. We will continue to work with our local and state health agencies to follow any required health and safety guidelines. In addition, State Fair Park will continue to provide enhanced cleaning and sanitation protocols as part of each of these events,” Said CEO Kramer.
