

**Saturday, October 26<sup>th</sup>, 9AM to 1PM**

**Identity Theft Awareness Shred Event &  
Take Back Your Prescription Meds Day**

Preventing and Protecting against Identity Theft is definitely helped by shredding the information that has printed your identifying data. Crime Stoppers Yakima County working with the C I Shred, Solarity Credit Union, Yakima PD and Sunnyside PD will provide free shredding of those documents, old tax forms, and personal items.

Check your home medicine cabinets because we are also offering a prescription drug disposal. Bring in your expired or unused prescription medicines. These drugs are being taken from your medicine cabinets and sold in schools thru out our community. Bringing these in for disposal helps limit the supply of these drugs into our community.

Your announcing, advertising and promoting this free event thru the week of October 26<sup>th</sup> is definitely appreciated. Donations will be accepted by Crime Stoppers Yakima County which supports their services to make our communities safer to all the citizens in Yakima County. Thank you for your support with helping Crime Stoppers and our communities to promote this free public service event.

Sincerely,  
Dave Purcell  
President  
Crime Stoppers Yakima County
