First tour scheduled for Thursday, April 3, 2014**

Cottage in the Meadow is a home away from home for terminally ill patients who are unable to receive the care they need at home and for the caregivers who need occasional respite.

Yakima Valley Memorial Hospital wants you to learn more about Cottage in the Meadow and its hospice program and is offering monthly tours beginning in April. The goal is to help you better understand the program and the types of care that are provided.

These one-hour tours will be conducted at 3 p.m. the first Thursday of every month. The first tour will be Thursday, April 3, at Cottage in the Meadow, 1208 S. 48th Ave., Yakima.
